EXCITING EVENTS...

Events take place all over the emirate with Al Qasba, Al Majaz Waterfront and

the malls all popular venues. Check out the calendar of events at www.sharjahtourism.ae to see what's on.

HANDS-ON...

Unlike many other places, in Sharjah kids are actually encouraged to touch things!

Head to the Children's Farm and youngsters can pet the many animals and see them being fed.

Over at the Discovery Centre and the Science Museum there are many areas for children to do their own experiments – and to literally let off steam.

ENCOURAGING...

Educational play at the aquarium and other attractions is so much fun that kids don't even realise they are learning.

INSPIRING...

Displays at museums such as the Science Museum are designed to inspire and excite.
